About us

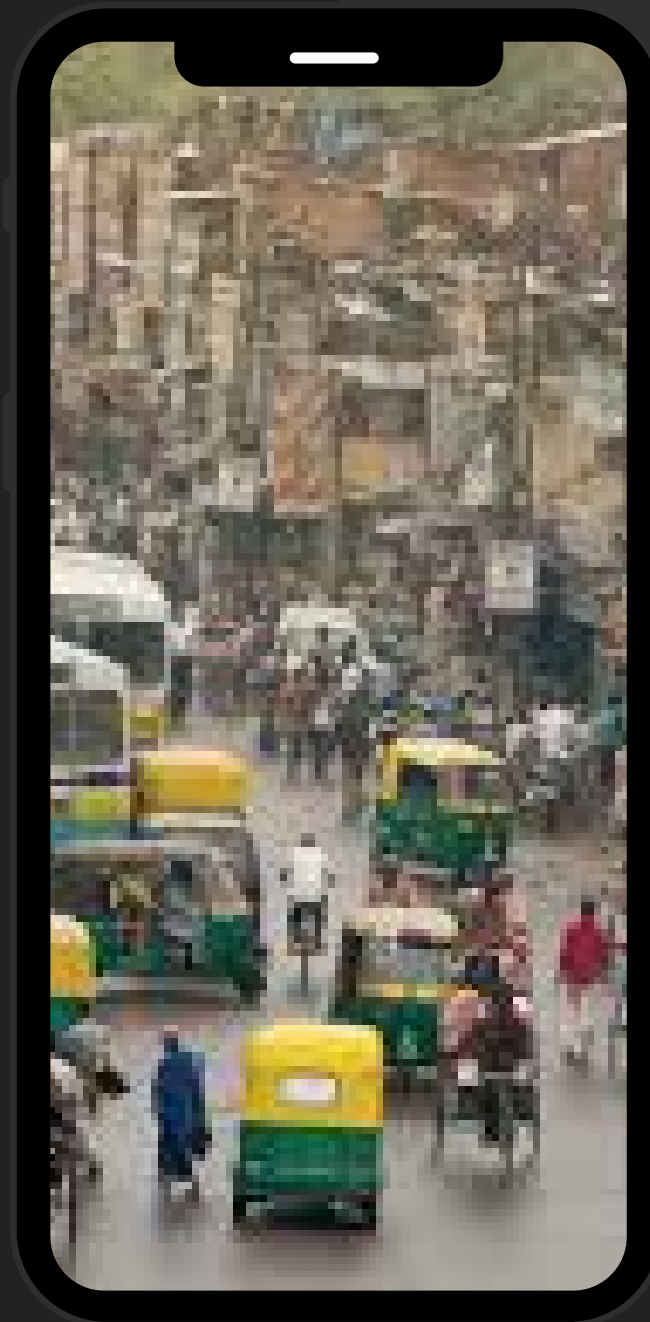

Varchasva, your number one source for all Government schemes and services at one tap. We're dedicated to providing you the best of Organized Experience, with a focus on dependability.

We're working to turn our passion for creating awareness so that it can impact more lives. We hope you enjoy our initiative as much as we enjoy offering them to you.

Sincerely,
Team Varchasva

Problem

People in India are unaware of many government schemes and services that are implemented for their Convenience and Betterment, Even the government sites are not accordingly organized and many of them often doesn't work and also the info available related to the schemes and services are scrambled miscellaneously across different platforms which leads to confusion, unawareness, and spreads corruption.

Goals

Archasva

Easy access to all
government
schemes and
services

Imparting and creating
awareness

user satisfaction

Diminishing
Confusions

Feature

• One Tap
